

B.P.O.E.

The Benevolent Protective Order of Elks is a huge non-profit organization which had it's roots in the 1800's here in the U.S.A.

The Florida's Elks has many fundraising events throughout the year. The Florida Elk's Charities, Inc. supports the charitable programs of its two primary recipients: Florida Elk's Children's Therapy Services, Inc. and the Florida Elks Youth Camp, Inc.

Thank you for supporting, in part, these worthy programs which benefit the entire community in which we live.

Call today for more information and to set up an appointment with one of our members in charge of the banquet facility.
